Description

DRAUMET LED Headlamp 120 lumens D381-03 is a lightweight and functional flashlight, ideal for use in workshops, on construction sites or during renovation work.

Thanks to its compact size and powerful 120 lumen beam, it provides excellent lighting in dark and hard-to-reach places.

The flashlight is powered by three AAA batteries, ensuring a long operating time without the need for recharging.

The ergonomic strap allows the flashlight to be comfortably worn on the head, making it an ideal tool for people working in demanding conditions. The flashlight is hands-free, which makes work easier and more effective.
